Gary Speth, Detective, Ozaukee County Sheriff will offer training on how to best protect your life by implementing the “Run, Hide, Fight” protocol. An Active Shooter is an individual actively engaged in killing or attempting to kill people in a confined or populated area. Individuals must be prepared both mentally and physically to deal with an active shooter situation. This training will offer tools on how to best protect your life.

Rick Boeshaar, Manager, EMS Relations and Emergency Preparedness, Aurora Health Care will train us in the ability to recognize life-threatening bleeding in someone who is injured and effectively assist that person which can save a life. Studies have shown that the help given by an immediate responder can often make the difference between life and death, even before medical professionals arrive.
